EDUCATION

B.Sc in Computer Science, Dr. BAMU University, Aurangabad
Jun 2010 — May 2013

MCA, Government. College of Engineering, Aurangabad
Jun 2013 — May 2016

CERTIFICATION

Python Essential 1, Cisco
Jul 2025 — Dec 2025

Python Essential 2, Cisco
Oct 2025 — Dec 2025

FastAPI, Udemy
Sept 2025 — Feb 2026

PROJECTS

Project 1 : Fastapi-Cart E-commerce Application,-
Tech Stack : FastAPI, Next.js, PostgreSQL, Redis, Celery, Docker, AWS

- Developed backend using FastAPI with JWT authentication and role-based access
- Implemented cart, order, checkout, and payment integration (Razorpay)
- Integrated background task processing using Celery with Redis for asynchronous operations
- Containerized application using Docker
- Built CI/CD pipeline using GitHub Actions
- Deployed backend on AWS EC2 and frontend on S3 with CloudFront CDN
- Designed REST APIs with pagination, search, and secure data handling

Project 2 : Django-Blog Application,-
Tech Stack : Django, DRF

- Converted Django blog into RESTful APIs
- Implemented CRUD operations with authentication and permissions
- Added pagination and filtering
- Built scalable API structure using DRF
